Amendments to the Drawings

Please amend the Drawings by replacing as-field drawing sheet 6/13 showing Figure 7 with attached amended drawing sheet 6/13 showing amended Figure 7.

Application No.: 10/752,208
Amendment dated April 21, 2006
Reply to Office Action of January 4, 2006

REMARKS

The Applicant respectfully requests entry of the above Amendment, and consideration of the application, as amended.

By this Amendment, the Applicant simply substituted amended drawing sheet 6/13 for as-filed drawing sheet 6/13. In paragraph 3 on page 2 of the above-referenced Office Action, the Patent Office objected to the drawings and requested that the drawings be amended to illustrate "the plurality of detachably mounted second lids." The Applicant believes that the above amendment to Figure 7 addresses this objection. A corresponding amendment to paragraph 0026 of the Specification referencing the detachably mounted lids was also included in the above Amendment. Support for this amendment appears in paragraph 0024, line 21 (line 7 from the top of page 5) where the phrase "one or more removable or free lids 18" appears. The addition of "new matter" has been scrupulously avoided.

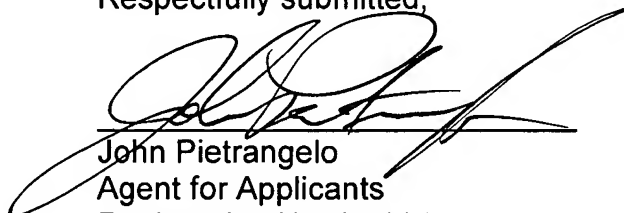

Claims 1-10 and 21-33 remain pending in this application as listed in the response of April 4, 2006.

The Applicant believes that the above Amendment places the application in condition for allowance. An early and favorable action on the merits of the application is requested.
